

Hyppolite / Sidoine – Vice-Champion du Monde, Champion du Monde Junior

Pauline / Anael, Championne du Monde Cadette

Congratulations to our new 420 World Champions Jose Manuel Ruiz/Fernando Davila of Spain in the 420 Open and Carlotta Omari/Francesca Russo Cirillo of Italy in the 420 Ladies.

A waiting game on the final day of racing at the 2014 420 World and Ladies World Championships as teams waited anxiously under postponement ashore for the call to the race track and completion of the final two races. But the forecast from early in the week delivered, with an early morning thunderstorm and torrential rain, followed by virtually no wind giving no hope of racing on today's final race day.

The Race Committee held off until 1400 hours to wait for a stable breeze to kick in in, before calling off racing for the day.

The Closing Ceremony will take place at 1800 hours at the Championship venue on Priwall Peninsula.

About the 2014 420 World and Ladies World Championships

The 2014 420 World and Ladies World Championships, 25 July-3 August 2014, is being held on the Priwall Peninsula off Travemuende and is organized by the Lübeck Yacht Club in partnership with the German 420 Class Association, Deutscher Segler Verband and the International 420 Class Association.

390 sailors from 27 nations are competing, with 111 boats in the 420 Open and 84 in the 420 Ladies. Teams contest a 12 race series, with 6 races in the qualification series and 6 in the final, with a single race discard coming into play after race five. The 420 Open and 420 Ladies are each split into two fleets for the qualification series with reseeding after each day's racing. For the 6 race final series, teams will advance to gold and silver fleets, based on their position on the leaderboard from the qualification series.
